EXHIBIT A

This is an administrative expense claim for the period subsequent to June 1, 2009. An administrative expense claim for the period up to and including June 1, 2009 was previously filed on July 14, 2009, pursuant to a prior notice of bar date for filing said claim.

New Jersey Self-Insurers Guaranty Association (“Association”), formed pursuant to N.J.S.A. 34:15-120.16, is a non-profit entity created to pay workers’ compensation claims of employees of insolvent employers who were self-insured in New Jersey. At the time of the bankruptcy filing, Delphi Corporation or its subsidiaries or affiliates (hereafter “Debtor”) was self-insured in the State of New Jersey.

By way of background, on or about October 13, 2005, the Bankruptcy Court entered an Order granting the Debtor authority to continue paying, among other things, workers’ compensation obligations. It appears, to date, that there is no indication of any default by Delphi regarding these obligations.

However, pursuant to the Debtor’s First Amended Joint Plan of Reorganization (“Plan”) (as modified), the Debtor appears to have substantially changed its proposed treatment of pre-petition workers’ compensation claims from flow-through claims, to be paid in the ordinary course of Debtor’s business, to claims that will be paid in accordance with Debtor’s understanding of applicable bankruptcy law. The Association’s proof of claim for pre-petition workers’ compensation payments, which was previously filed on July 26, 2006, is presently the subject of an omnibus objection by the Debtor, and not addressed herein.

As noted above, this proof of claim addresses the payment of post-petition workers’ compensation claims as administrative expense claims for that period subsequent to June 1, 2009. The Association asserts an administrative expense claim to the extent that the Association becomes liable for payments on behalf of the Debtor resulting from a failure by the Debtor to meet its workers’ compensation obligations for claims arising subsequent to June 1, 2009 owing to the Debtor having been a self insured. As indicated above, at present, the Association has not made any payments on behalf of the Debtor, and is not aware of any pending claim against the Debtor by the Association for reimbursement of payments pertaining to workers’ compensation claims.

The Association is a potential payer in connection with the Debtor’s self-insured workers’ compensation obligations if a bond established by the Debtor to satisfy such claims and any other layer of insurance coverage is insufficient. To assure that the Association has filed for such administrative expense claims for the period set forth, for which it may become responsible or for any other administrative expense claim in the event that any acts or omissions of the Debtor occurred prior to the Debtor’s filing of its petition, or occur subsequent thereto, or should the bond coverage prove insufficient, giving rise to a claim against the Debtor, the Association files this administrative expense proof of claim to preserve its right to assert its claim against the Debtor, without prejudice to any rights or claims it may have against any other parties.
